

Dear Parents and Children,

Welcome back to the new half term. We hope you enjoyed the break with your family.

As we mentioned before half term, the term of office of your current **parent governors** comes to an end in December. The forms for the nomination of parent governors were sent to you earlier this week. Please consider who you might nominate or whether you might like to put yourself forward. We look forward to receiving your paperwork back in school.

The current **FOSGS (Friends of Spring Grove School) Committee** has been busy discussing social and fundraising events for this school year. During this academic year, current key committee members wish to stand down as their children are moving through the juniors and leaving us soon. **We would like you to consider putting yourself forward to join the committee. New volunteers are needed to keep this group up and running.** It will not demand too much of your time. Meetings are usually held in school between 5-6pm around once or twice per term. Please call in, email office@springgrove.hounslow.sch.uk or telephone school on 0208 560 0965 and leave a message to let us know that you are willing to join the committee – thank you. We would particularly like to have some new families from **Nursery and Reception** join us. FOSGS fundraising is aimed at offering fun events for children and their families as well as raising funds to buy extra items for school. FOSGS funds have recently been spent on large play equipment, latest titles for Book Club, table tennis tables and much more. Nursery would like a new Interactive Whiteboard for their group room and we are hoping that some nursery parents will step forward and start some fun events to get the ball rolling on this project. FOSGS' next event is a disco on the 13th December after school. More details will come to you soon but we will need parent helpers to volunteer before this can happen – thank you.

At the end of November, we will be bidding **Mrs Khan**, our Reception class teacher, farewell for a couple of terms as she will be going on maternity leave. The new teacher will be coming in to meet the children and parents later in November before Mrs Khan leaves. We would like to wish Mrs Khan well with the exciting new arrival in her life which is due in January 2020.

From Monday 11th to Friday 15th November
Before (Wed) & after school (Mon-Fri)

Range of books suitable for all primary children at discounted prices

The school also gets money back to buy new books when you buy books at the book fair.
