

Dear Parents and Families of Spring Grove Primary,

Thank you so much for the warm welcome that I have received from all of you. I have thoroughly enjoyed my first week here as headteacher and my highlight has been meeting so many of you. I will try and be out on the school playground each morning so please come over and introduce yourself if we have not already met.

This week has been very busy and I am getting myself up to speed with the names of all the pupils and learning all about their interests and talents. It is a real privilege to be part of such an exciting and successful school and I am already working hard to ensure that the school continues to thrive. I am enjoying working with the school staff to provide a first class education for your children.

A little bit about me... I have worked in several schools across London in Islington, Ealing and Hounslow for more years than I will admit to! I am very much a team player and like nothing more than working collaboratively with people to achieve our common aims. I am passionate about supporting all children to achieve their personal best, as well as giving my own personal best. I look forward to getting to know you all over the coming weeks and would like to wish you all a happy new year and best wishes for the new decade.

Mrs S Colley
Headteacher
