

Dear Parents and Families,

In assembly this morning we celebrated children who have an attendance rate of 98-100% since January. It was heartening to see so many children receive a certificate. It is the aim that all pupils attend school regularly and can make the most of their learning time. We love seeing the children in school – please keep up the great effort in always being here!

I have received a number of requests for term-time leave. I am not able to authorise requests – the government are very clear that holidays and visits to family members should take place during the school holidays. Please work with us on this and arrange such visits during the holidays. Your cooperation would be appreciated on this matter.

We are looking forward to our Book Week that will be taking place next half term. The timetable of events and activities that will be taking place will be sent out after the half term holiday. It would be lovely to have parents come into school on a regular basis to hear children read. If you have any time to spare and feel that you could offer this please get in touch with me and I can talk through what we would like.

I have thoroughly enjoyed my first half term at Spring Grove and have received such a lovely welcome from you all. Thank you for all your support, friendliness and fabulous children!

I hope that you all enjoy a relaxing and enjoyable half term.

Best wishes,

Mrs Colley

This year's theme is **Free to be me: exploring identity online.**

In school this week we have been looking at what makes up our online identity. We have thought about: what we share online; being respectful to others; what to do if somebody is disrespectful to you online; keeping personal details private; and also understanding that what somebody shares about themselves may not necessarily be true.

"By opening up conversations around identity online, young people can be inspired and empowered to support each other to be who they want to be, both online and offline." Safer Internet Day 2020

We have attached a conversation starter guide and a useful resource guide.

Please visit the parents and carers section of the Safer Internet Day website for more ideas and resources to use at home. See link on our E-Safety page of our school website.
