

Dear Parents and Carers,

The children have been enjoying Book Week in school and it has been lovely to see so many of them arriving in costume today. I have enjoyed spending time with Harry Potter, Wally, Summer (from Wonder), an assortment of Princesses as well as a whole range of other book characters. Thank you for supporting the children with this.

Next week we have a theatre company in school on Monday and Tuesday performing to the children in KS1 and KS2. We have had a successful Book Fair before and after school this week with many children enjoying the opportunity to purchase a book.

Keeping all children safe in school is one of our main priorities and I wanted to remind all parents of the routine for collecting children from school, particularly if in Early Years and KS1:

- Please be present at either the classroom door or classroom gate at home-time.
- The teacher or Teaching Assistant will open the door and hand your child to you.
- It would be appreciated that when collecting your child from the teacher that you are not on a mobile phone.
- Once you have collected your child from the classroom it is important that you keep a close eye on them as responsibility has now passed over from school to parent.
- If somebody else is collecting your child from school, please ensure that we have been informed and know the name of the person collecting them.

Wishing you all a lovely weekend.

Best wishes

Mrs Colley
