Dear Parents,

I would like to remind you all to be aware of games that your child may be accessing online. It has come to my attention that some of our pupils have been placed in difficult and alarming situations through their involvement with the online game of Roblox. It is important that you ensure you monitor and consent to what your child accesses online.

Below are the links that we have previously sent out to help you with this.

Do talk with your child about keeping themselves safe on line and the importance of never revealing personal details. Please feel free to contact the school if you would like further help or advice on this.

Yours sincerely,

Susan Colley  
Headteacher
