

Dear Spring Grove Families,

We have been very pleased to welcome back to school pupils in Reception, Years 1 and 6 in addition to the Key Worker children. It has been lovely to see them all and be with them again. They were excited to return to school although a little shell shocked initially at how different their classroom and school looks. They are quickly adapting to the new routines though and learning and playing well.

We are missing all of the children and whilst many are not yet able to return to school we are enjoying keeping in touch with them via Google Classroom and phone calls. It has been and remains such an uncertain time for us all. In school we continue to follow the advice and directives of central government and where we can we aim to encourage as many children as possible to return to school. It is unlikely that we will be able to welcome back further year groups as space and staffing will be an issue but I will update you on this as and when appropriate.

We have been so impressed by the work achieved and completed at home. We know that it has not been easy at times to manage but we congratulate you all on your perseverance and creativity. Thank you for all of your support throughout this very difficult time.

At the end of this academic year we will be saying farewell to the wonderfully talented Mr Kendall. After working at Spring Grove for 12 years he has made the decision to return to his home of Cornwall. We will all miss him so much as he is an amazing professional to work with as well as being a valued colleague and friend to us all. Good Luck in Cornwall and we will all visit you when we can!

Next week we will be welcoming back Mrs Khan to school following her maternity leave. She will be managing one of the Reception Bubbles. Ms Mouton, who has covered Reception whilst Mrs Khan has been off, will remain with us until the end of the academic year and she will also manage a Reception Bubble.

If your child is in Reception, year 1 or Year 6 and they have not already returned to school, please consider allowing them to come back – we would love to see them!

Wishing you all good health and happiness,

Susan Colley

Results of the C8 and School Poetry Competition

Last term as part of our involvement with C8, Spring Grove took part in the annual C8 Writing Competition. This year the genre was poetry and as well as judging poems across the eight schools, they were also judged across our school.

The poems were judged externally and we are delighted to announce the results as follows:

Across the C8 schools, of which there are 8 schools we are delighted to announce that for Year 4, Asif Shah from our school was the overall winner. Congratulations and well done to Asif.

Huge congratulations to the talented poets and a big thank you to

Mrs Lloyd for all of her hard work in arranging the event. All of the winners will be awarded with a book voucher.
