

Life in Self-Isolation

I sit on my bed no turning around.
No going out to play,
No roaming around,
No going to school.

I am so lonely; I am so crazy.
No meeting with friends,
No going for holidays,
No physical activity.

People think that I am happy, but I am so “down”,
I seem kind of fat.

But when I check my weight, I am only 29kg.
But the good thing is that,
I am spending time with my family.
