## Welcome Back!

I would like to wish all of our Spring Grove families a very happy and healthy 2022. On behalf of all of the school staff, a very big **THANK YOU** all for the kind greetings and gifts that were given over the festive period to us all.

We have had a very good start to the new term and despite the ongoing challenges of Covid-19 have been able to offer a full and exciting curriculum to the children. Extra-curricular clubs and music tuition lessons have restarted and we are looking over the course of this term and academic year to extend our offer of enrichment activities.

We have welcomed **Mr Malin** and **Miss Kaur** to our school this term and both are enjoying getting to know our school community. Mr Malin is our new deputy head and has been on the school gates each day hoping to meet you all. If you have not yet met him please do approach him and introduce yourself – he is very friendly! Miss Kaur is the new year 3 Zephaniah teacher and she has been very impressed by her class and how hard they are all working. She has also been trying to meet and say hello to the parents of the year 3 children. Again, please approach her and say hello if you have not yet met her.

Earlier this week, Mrs Kibblewhite and I invited a group of parents in to the school hall to talk to them about a literacy initiative that their child is involved in. We hope that throughout the remainder of this academic year to be able to start offering opportunity for parent workshops and information sessions on aspects of our school curriculum. Whilst our Open Evenings this term will be online we will look to find appropriate times for you to come into school and

**Contd ....**

look at your child's work. We know how much many of you have missed being able to do this over the last few terms.

## Covid-19 Update

Whilst we continue to fight covid-19 we request that all parents, unless exempt, wear a face covering when on the school site. Thank you for your cooperation with this. Included in this newsletter is information from Hounslow Public Health on the new testing and isolation guidance effective from Monday 17th January 2022.

## Spring Grove Club Offer

We are currently reviewing our club offer at Spring Grove and as part of this we are interested to hear from any parents who may have a skill or talent that they could offer as a club. If this is of interest to you please contact Mr Malin or email [deputy@springgrove.hounslow.sch.uk](mailto:deputy@springgrove.hounslow.sch.uk).

## Curriculum Maps – Spring 2022

We have emailed you the Curriculum Map for Spring 2022 for your child's year group. These outline the topics we cover during this term. You can also find them on our website. <https://www.springgroveprimary.london/learning/>

## POPPY APPEAL 2022

**We raised £307.71**

**Thank you!**

## Family Maths Challenges

Hello Mathematicians,

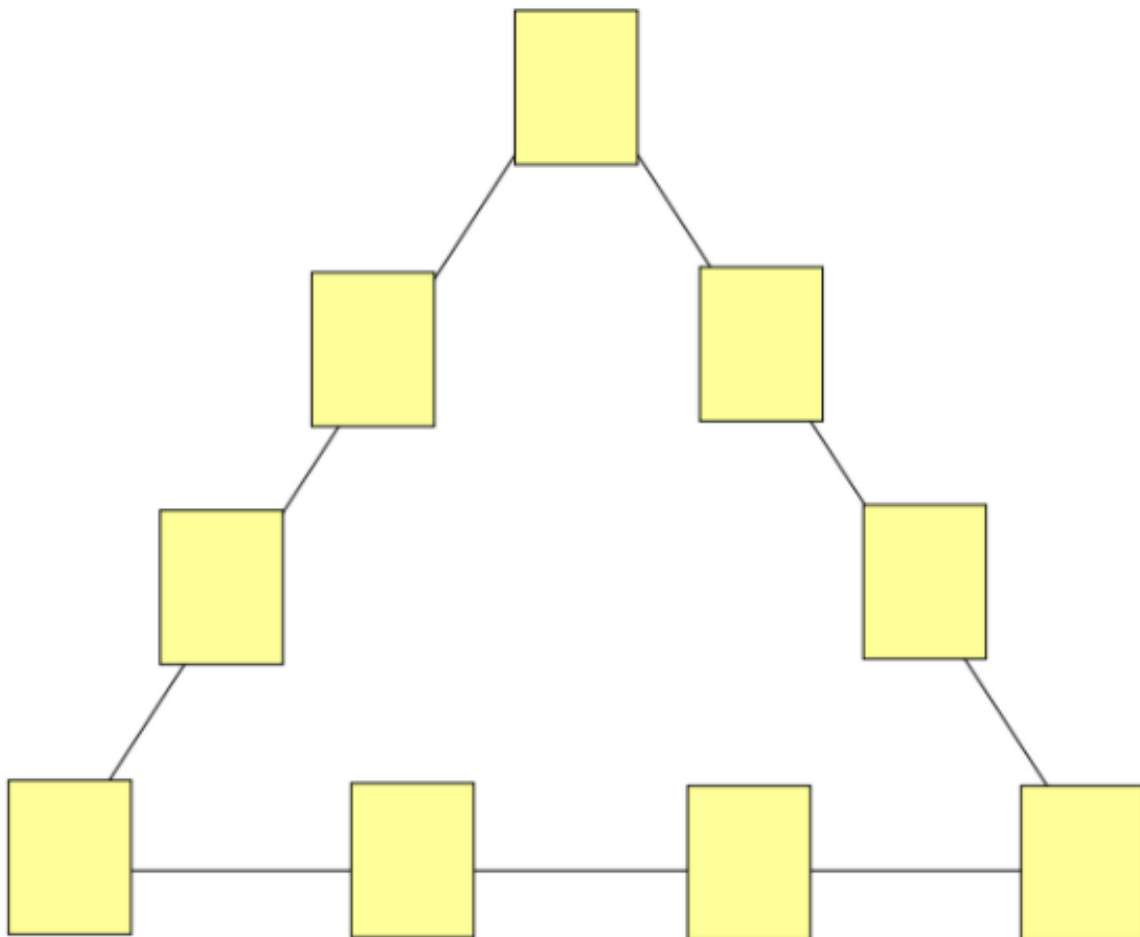

Happy New Year to you all.

I hope you have all had a restful break.

I have attached a challenge for you to solve this fortnight. I hope you enjoy it. It might help to write the numbers 1-9 on pieces of paper and then manoeuvre them around. Please upload your answers for me to see. Alternatively, you could give your answers to your teacher who will pass them onto me. Please can you make sure you write your name on your work, so I know who you are.

### Tricky Twenty Triangle

Put the numbers 1 to 9 in the boxes below so  
That each side of the triangle adds up to 20
