

Spring Grove Primary School

Year Two Homework and News

Friday 7th January 2022

Dear Parents and carers

Happy New Year and I hope that you all had a restful and happy Christmas break. It has been lovely to welcome all the children back and to see them all beaming and ready to learn.

Although this week has been short, the children have enjoyed getting back into the routine and being with their friends.

PE

PE will be on **Monday and Wednesday**, please remember to send your child in PE kits on those days. We will be focusing on gymnastics and fitness.

Maths

The children have started to learn about multiplication and we have begun to learn about equal groups and adding equal groups, known as repeated addition. For example $2 + 2 + 2$ is the same as 2 **lots of** 2 or 2×2 .

Art

The children will be learning about Vincent Van Gogh and we have begun to look at his most famous works of art and shared our opinions. In the coming weeks we will be creating our own art work in a similar style.

Times tables

The children need to be confident in the 2s, 5s and 10s times table. In order to support the children we will be starting a times tables challenge. It is also important the children know the related division facts too. Starting on Thursday we will have a weekly times table quiz, starting with the 5s time table next week. All children will start on Bronze level and once they are confident they will move to the next level. Please come into class so you can look at all the different levels we will be using.

If you have any questions then please talk to us at pick up or email:

chaouki@springgrove.hounslow.sch.uk

Regards,
The Year Two team 😊
