

# Spring Grove Primary School

## Nursery Homework and News

Friday 25<sup>th</sup> February 2022

Dear Parents and Carers,

Welcome back to the second part of the Spring Term- we hope you all had a fantastic break. Since returning to school the children have been talking about their adventures which has been great to hear.

This week, we have been thinking about healthy living and we have read some really interesting books: 'Give us a smile, Cinderella', 'Eat your greens, Goldilocks' and 'Blow your nose, Big Bad Wolf!' These stories have prompted discussions in the classroom about the different ways we can stay healthy, make good food choices, how to look after our teeth, how to blow our nose and how to wash our hands effectively. We have also been thinking about how we learn and have had a feast of stories this week to explore the different attitudes to learning that have helped us understand the importance of not giving up, having our own ideas and exploring new things.

There are some new activities on Google Classroom for you to explore at home with your child, if you have not received or misplaced your Google Classroom log in information please come and see one of us and we will get it to you as soon as possible. Next week we will be reading and our learning will be themed around the story of the Gingerbread Man.

Finally, can we please remind you that we are trying to encourage the children to become more independent and physically active, to support the children you will not be able to store buggies at school anymore in order to create more space for the children's scooters and bikes. We are pleased with the children's efforts to say good morning and good-bye at the start and end of school- Keep it up everyone! To support the children further we are encouraging the children to talk in full sentences, for example: when they are asked a question we are expecting them to say "yes please, Mrs Gratton" or "No thank you, Mrs Gratton". It would be great if you could support us with this at home too by encouraging the children to respond to you in sentences and with manners.

A reminder that next Thursday is World Book Day and we are encouraging the children to dress up as their favourite book character. You should have received a letter from the office with more details on Wednesday, if you didn't please ring the office and check that they have the correct email address for you.

Have a lovely weekend.

Yours sincerely

The Nursery Team
