

Spring Grove Primary School

Year Two Homework and News

Friday 28th January 2022

Dear Parents and Carers,

Happy Friday! This week, the children have enjoyed another busy and fun-filled week at school, here is what we have been up to:

Maths

We have continued to learn about multiplication and division and the children have worked extremely hard to tackle some tricky questions. Please continue to support your child to learn their time tables and division facts, as knowing them will support their learning in class. If your child scores 35, or more out of 40 they will be moved on to the next level.

Reading

Thank you for ensuring that you have heard your child read at home, please continue to sign their yellow reading records after each shared read. Hearing your child read is fundamental for their development and it is very important that they read daily for 15-20 minutes. Please come and speak to me if you need some support with this. I have attached a reading question prompt sheet to support you when reading with your child.

Phonics

The children are in phonics groups based on their current abilities. In school, spellings for all new words are taught on Monday and are then revisited throughout the week before a spelling quiz on Friday. **Children are not given any spellings to learn at home.**

PSHE

Our current PSHE theme is 'Dreams and Goals' and this week the children worked in groups to tackle a rather unusual goal. They were given two tasks to complete as a team, they had to be able to count in twos in French and be able to name numbers 1-10 in Chinese Mandarin. The children were superstars ensuring they worked collaboratively and they learnt that it is important to get along with your team members to ensure a goal is achieved. Well done!

Geography

During our geography lesson this week the children enjoyed learning about the United Kingdom, and could name and label the different countries in the UK (Wales, Northern Ireland, Republic of Ireland, Scotland and England).

We hope you have a great weekend and if you have any questions then please talk to us at pick up or email: chaouki@springgrove.hounslow.sch.uk

Regards,
The Year Two team 😊

The Spring Grove Way: personal and academic excellence, everyone, every day.
