

## Spring Grove Primary School

### Year Two Homework and News

Friday 25<sup>th</sup> February 2022

Dear Parents and Carers,

What a busy and exciting week we have had in school this week and we would like to wish you a Happy Friday!

#### **Maths**

This week, the children have been interpreting and creating block charts, pictograms and tally charts. The children enjoyed asking their friends questions and completing block charts. Next week will be starting shape. To support your child please begin by identifying 2D and 3D shapes around your home. 2D shapes are shapes with two dimensions, such as width and height. A 3D shape is a shape that has 3 dimension, such as width, height and depth.

#### **World Book Day**

Thursday was a very unusual day as the children were not in school, rather we had a class full of book characters! It was fantastic to see the variety of costumes and during our Book Day Assembly we all took part in a whole school parade, where children got to showcase their costume as they strutted down the 'runway'. On the other side are some pictures, can you guess the characters?

#### **English**

This week the children have wrote their own stories and I am amazed at the creativity and how well the stories are written! The children have wrote some fantastic descriptions using adjectives and adverbs and all of our stories will be part of a story writing competition that is currently taking place between some local schools- I wish all the children the very best of luck!

#### **Science:**

In Science, we have been learning about being healthy and keeping our teeth healthy. The children enjoyed identifying healthy and unhealthy foods.

#### **Playtime:**

Over the next few weeks we will be doing work around being gentle and kind at playtimes. Please continue to talk to your child about the importance of being kind during playtimes.

#### **Homework:**

Please complete the attached handwriting sheets ensuring that your child is correctly forming each letter and they are sat on the writing line. I would also like you and your child to look at the attached picture and write a short story remember to think carefully about your choice of vocabulary to make your writing more exciting to read.

We hope that you have a great weekend and if you have any questions then please talk to us at pick up or email: [chaouki@springgrove.hounslow.sch.uk](mailto:chaouki@springgrove.hounslow.sch.uk)

Regards,

The Year Two team 😊
