

Spring Grove Primary School

Nursery Homework and News

Friday 18th March 2022

Dear Parents and Carers,

This week we have continued with our topic *Traditional Tales*, and have learnt all about the story the Three Billy Goats Gruff. The children enjoyed watching another play performed by the staff which retold the story of the Three Little Billy Goats Gruff! We have enjoyed using the costumes and small world toys to retell our own versions of the story and the adults have been encouraging us to use different voices for each character as we play. Finally, we have discussed the meaning of the word *character* and this week we have made our own puppet characters from the story. We thought about the characters feelings and in particular how the troll might have been feeling – was he naughty or was the third, biggest billy goat gruff naughty?

This week we talked a lot about brothers and sisters, cousins or family friends in Nursery and whether they were older or younger than we are. The children found this quite difficult so to support your child's learning at home you might want to reinforce the meaning of the words older and younger.

There are some additional activities that I've uploaded onto our Google classroom that you could choose from to support your child further with their learning so please log on and have a look. Some of these activities are about the scientific concept of floating and sinking while having fun in the bath, there are a range of songs to listen to and learn as well as some family reading activities and discussions prompts.

We hope you have a lovely weekend.

Yours sincerely

The Nursery Team
