

## Spring Grove Primary School

### Year Two Homework and News

Friday 1<sup>st</sup> April 2022

Dear Parents and Carers,

What a busy and exciting week we have had in school this week and we would like to wish you a Happy Friday! Please read below to find out what we have been learning this week in Year Two.

#### **Maths**

In Maths, we have continued to learn about the properties of different 2D and 3D shapes. We have been looking carefully at a range of shapes and thinking about some of the properties we have learnt to sort them into groups. We have also been looking at different patterns trying to identify how they have been created before making our very own patterns.

#### **Computing**

This week, the children have been learning how to send and receive an email- an activity that we all very much enjoyed. We learnt how to attach an image as well as using a range of different tools to create an email. I was so pleased with the children's efforts and their understanding of the different tools they used when sending an email- well done everyone!

#### **RE**

During our RE lesson this week we learnt about the Easter Story developing our understanding of why Easter is a special time of the year for Christians. We spent some time discussing how Christians celebrate Easter before sharing our own beliefs and traditions. We learnt that it is always important for us to remember that different religions have different beliefs.

#### **English**

This week we have read *Traction Man* and everyone has thoroughly enjoyed the characters and themes of the story. By the end of the week, we had created an advert to persuade our parents to buy Traction Man and used an iPad to record our very own advert thinking carefully about what persuasive words and phrases we could use! I was so pleased with the children's posters advertising Traction Man as they thought very carefully about the choice of adjectives they could use to describe him.

#### **Homework**

To support your child's learning at home over the holidays I've attached two tasks for you to. The first task is to create a poster or factsheet about a famous Pirate. Some famous pirates you might like to research are: Anne Bonny, Blackbeard, William Kidd or Mary Read. The second task is to complete the reading comprehension activity. Over the break I would like your child to continue to read daily for at least 15 minutes to further improve their reading fluency.

We hope that you have a great Easter break and if you have any questions then please talk to us at pick up or email: [chaouki@springgrove.hounslow.sch.uk](mailto:chaouki@springgrove.hounslow.sch.uk)

Regards,

The Year Two team ☺
