Nursery Homework and News

Friday 20th May 2022

Dear Parents and Carers,

What an eventful week learning all about Firefighters it has been! We started the week sorting objects that felt hot or cold, then we discussed how objects that felt hot could be dangerous and often when we feel them make us say "ouch!" On Tuesday, we were lucky enough to have had a visit from the fire brigade, they allowed us to climb inside the fire engine and see all the clothes that they wear when they are called to an emergency. Some of us wore a helmet- they were very heavy on our heads! We all had the opportunity to spray the water hose as we played a game that involved trying to knock off a ball that had been placed on top of a cone, it is trickier than it sounds! We have also been learning about the importance of teamwork, as this is an important part of a firefighters job. To practice our teamwork skills we were give a problem that we had to solve as a class. One of our 'pet' dinosaurs (soft toys) got stuck on the roof of our shed and we had to think about how we should get him down.

Next week, we will be taking a break from our people who help us topic to learn about the Queen and we will celebrate the Queen's Platinum Jubilee. It will be a very exciting week throughout the school because each class has been given a decade of her reign to learn about. Nursery will be reviewing the decade 2020 and we will be thinking about some of significant events that have happened in this era, for example: the global COVID-19 pandemic as well as learning about some other significant people that have stood out, like Sir Captain Tom Moore.

Over the weekend, please spend some time with your child making either a paper or junk model crown to wear on Thursday 26th May. We will be taking part in a whole school assembly where we will proudly share our crown creations, those children that stay all day will also be wearing them at lunchtime. We would like to remind all our families that you are invited to our family tea event on Thursday 26th May between 3:30pm - 4:30pm on the school field, so don't forget to bring a blanket to sit on. We look forward to seeing as many of you as possible!

Recently, there has been an increase in the number of children arriving late to Nursery, our session starts at 8:45am and the front pedestrian gate is locked at 8:50am. If your child arrives after 8:50am they will be marked as late and you will be unable to leave your child's scooter at school as you will be unable to access the side gate. You may also find that you will have to wait patiently at the gate until a member of staff is able to welcome you, as all the Nursery staff will be busy settling the children.

We would like to remind you that we are currently collecting as many used batteries as we can until Friday 10th June. Hopefully, Nursery would be able to collect the most and win our school competition that has been organised by our eco-warrior children! If you have any old batteries that need recycling please bring them to school and we will add them to our box. Please note that we will be unable to take any batteries after Friday 10th June.

We hope you have a lovely weekend and if you have any questions then please come and speak to us.

Yours sincerely,

The Nursery Team

The Spring Grove Way: personal and academic excellence, everyone, every day.
