

## Spring Grove Primary School

### Year Two Homework and News

Friday 13<sup>th</sup> May 2022

Dear Parents and Carers,

This week has been another busy and fun week! The children have continued with their SATs assessments and so far have completed their Reading and SPaG tests, next week we will begin administering the final maths papers.

In Maths, we have continued with our fraction unit and have been busy learning about equivalent fractions. We now understand that  $\frac{1}{2}$  and  $\frac{2}{4}$  are equal and have used this understanding to solve a number of real life problems. Also, in class there has been a focus on being able to read the time on an analogue clock face. To support your child at home please practise reading the time throughout the day, in particular O'clock, quarter past, quarter to and half-past times.

In English, we have drafted a plan remembering what we felt, did and saw during our trip to Windsor Castle and have used our plans to support us to write a recount of the day. I am truly amazed at the children's choice of descriptive vocabulary and their determination to be as detailed as possible! Well done to all of the children, I've attached some examples so you can find out about our day.

During our topic sessions, we have continued to learn about pirates and what they did- we even played a *lousy legends* game. Next week, we will be creating a fact sheet all about Blackbeard!

In PE, the children have enjoyed playing games using tennis balls and tennis rackets. The children have started to use the racket to hit the ball back to their friend. During our yoga session, we created different animal poses to help us remember different yoga balances. I wonder if the children can teach you some different balances?

To support your child's learning this week please complete the maths practise paper. We hope that you have a lovely weekend, if you have any questions then please talk to us at pick up or email: [chaouki@springgrove.hounslow.sch.uk](mailto:chaouki@springgrove.hounslow.sch.uk)

Regards,

The Year Two team 😊
