

Spring Grove Primary School

Nursery Homework and News

Friday 15th July 2022

Dear Parents and Carers,

It was lovely to see so many of you at our graduation assembly yesterday. The children were a credit to themselves and sung their hearts out for you. The Nursery team were delighted with all the children and believe that this a real chance to celebrate the children but also recognise the huge progress they have made over the year. The Nursery Sports Day afterwards was another success – thank you for coming along to support the children in this too. When we came back to the classroom there was a real 'buzz' and one Nursey child said, "the graduation was the best time ever"! However, we were sorry that not all the children could join in due to illness, their certificates have been kept and will be shared with them when they return to Nursery. Also, the PowerPoint containing the graduation assembly pictures will be added to google classroom over the coming days.

Next week, we will begin sorting the work your child has completed at school and we will put their work into their red school bag on Wednesday or Thursday for you to keep at home. If you still have your child's book bag at home, please send it in as soon as possible so we can fill it for you.

As said yesterday during our graduation, we would like to extend a very special 'thank you' to all our Nursery families for being such a great support to us over the year and being so lovely to work alongside. We would also like to wish good luck to all the children that are moving on to their new 'big' school and we hope you all keep in touch. We wish you the best Summer holiday.

Yours sincerely,

The Nursery Team

The Spring Grove Way: personal and academic excellence, everyone, every day.
