

## Spring Grove Primary School

### Nursery Homework and News

Friday 30<sup>th</sup> September 2022

Dear Parents and Carers,

This week, we learnt all about Incy Wincy Spider and have explored volume by learning different versions of the rhyme – one version we sang loudly whilst the other we sang quietly! Ask your child if they can sing you both versions and tell you what they have learnt this week.

Before learning the rhyme Little Miss Muffet, we spent some time discussing where spiders live and how they catch their food. We also talked about what scares us and thought of some strategies to support us when we experience different emotions. We have also continued to support the children to develop their independence skills, encouraging them to be as independent as possible whilst they are in Nursery. Next week, we will be learning about Humpty Dumpty!

We wanted to inform you that we have started to make a den building bag in Nursery that can be taken home for the weekend. You will be able to take the bag home on the Thursday prior to the weekend you wish to borrow it and we ask that it is returned on Tuesday ready for it to be quarantined before the next family receives it. If you are interested you can sign up for our den making bag to build a den **with your child**, it has all the resources that you could use for example: pegs, fabric and elastic bands or you could use your own! Inside the den making bag you will also find a book for you to add photographs of your family enjoying their time in the den. If you do not have a printer at home you can always email the photographs to [gratton@springgrove.hounslow.sch.uk](mailto:gratton@springgrove.hounslow.sch.uk) and we can make your den page with your child at school. On Monday morning we will display a sign-up sheet for you to select the weekend you would like to take the den making kit home- we hope that it will be a fun activity that the whole family can get involved in.

A few reminders...

- We still have a few outstanding family photographs that are not on display, it would be great if every child could have a photograph of their family up. If you still have not managed to send one in please do so as soon as possible, or email [gratton@springgrove.hounslow.sch.uk](mailto:gratton@springgrove.hounslow.sch.uk) so they can be printed at school for you.
- We have started our celebration book with the children in school that have already celebrated their birthdays in the last few weeks. We are aware that there are a few more birthdays and festivals coming up soon. We would love to receive photographs of the children celebrating them so that we can add them to our book. Photographs can be emailed to [gratton@springgrove.hounslow.sch.uk](mailto:gratton@springgrove.hounslow.sch.uk) and a member of staff can add them to our celebration book with your child in school.

Have a lovely weekend.

Yours sincerely,

The Nursery Team
