

Spring Grove Primary School

Year Two Homework and News

Friday 14th October 2022

Dear Parents and Carers,

This week we have been embracing Black History Month! In Year Two, we have learnt about a famous black chef- Edna Lewis.

In Maths, I've been impressed with the children's hard work and the perseverance they have shown. We have been comparing numbers and using key terminology such as greater than, less than and equal to. At the end of the week, we learnt to count in steps of three, please continue to practise learning the three times table at home.

On Monday, as it was Mental Health Day, we spent time learning about what mental health means. We focussed on what to do when we have worries and read the stories 'My Feelings' and 'The Bag of Worries'. Please continue to support your child with ways to overcome worries and difficulties. We are always here to help.

We had an exciting visit from Mr Samuel Pepys this week, who told us all about the Great Fire of London. Before he visited, the children made predictions about him and during his visit he was able to answer and correct our predictions. The children were fascinated to learn that he was, in fact, a writer and not an artist or prime minister.

Black History Week was celebrated in school this week and the children have enjoyed learning about Edna Lewis. We learnt about her difficulties and why it was important for her to reveal her true identity. Toward the end of the week we baked one of her cake recipes. Well done to all the children for being inquisitive yet respectful whilst learning about her. We also created some portraits of Edna Lewis.

At home this week, please continue to practise to count in 3s and complete the attached maths sheet. Please remember to read and sign your child's reading journals.

If you have any questions, you can either talk to us at home time or send me an email:

chaouki@springgrove.hounslow.sch.uk

We hope you have a great weekend.

Yours Sincerely,

Mrs Chaouki, Mrs Sanchez and Mrs Sisodia☺

The Spring Grove Way: personal and academic excellence, everyone, every day.
