

## Spring Grove Primary School

### Nursery Homework and News

Friday 25<sup>th</sup> November 2022

Dear Parents and Carers,

This week we have been learning the song 'I'm a Little Teapot'. We have enjoyed learning some new vocabulary: teapot, spout, handle and steam. We have linked this vocabulary back to other Nursery rhymes that we have learned, for example: spout from Incey Wincey. We know a spout helps to direct water to a specific place. Some of us have spouts on our water bottles. On Wednesday, we very much enjoyed trying some cool, milky tea with a biscuit. Most of us thought it was delicious with a lot asking for seconds and thirds of the tea, and biscuits - although they were rationed to one per child! We explored what happened to water when a tea bag was added. We then played with water and fruit flavoured tea bags to investigate if the same happened. Talk to us about what we found out.

This week, we loved reading the book *Brown Bear Brown Bear*, so we are going to use this as our stimulus next week. We can't wait to tell you all about our learning.

### Reading in Nursery

Everyday we have a class story time, the Nursery team take it in turns to read a book to the children and then we encourage the children to have a turn to tell us a story by using the pictures of a book of their choice. This week we have read...

As you are aware, the children have the opportunity to choose a book from our class library every Monday and Wednesday. The Nursery staff sit with each child on a one to one and talk about the story that they have taken home and enjoyed, we talk about what they enjoyed about the story and sometimes what they did not like. As the children choose a new book we talk about what the book is about and support them in making their choice. We have noticed that not all children are bringing in a bag so are not having this opportunity. Please make sure that you send your child with their book bag every Monday and Wednesday so that they too can take part in this. If your child does not bring their book back into school they will not be able to bring a book home until it is returned or their grown up comes to talk to a member of the team. Thank you for your support with this.

We are currently trying to organise a parent and child school trip to Hounslow library. This is likely to be first thing in the morning but we will be in touch once this has been finalised in order to give you as much notice as possible.

Yours sincerely,

The Nursery Team
