

## Spring Grove Primary School

### Year One Homework and News

Friday 11<sup>th</sup> November 2022

Dear Parents and Carers,

During parents evening, some parents had asked what the letters stood for that were reordered in the their child's books, so I thought I would jot it down here for those who didn't want to ask.

LOA = Learning Objective Achieved

Sp = spelling

O = mistake with number

 = next step

Hope you enjoyed Guy Fawkes- if you were celebrating. In our ICT lesson this week, we had a look at the story of Guy Fawkes and the children used busy things to create their own firework pictures. The children had a lot of options to choose from and had to decide which application they thought was the best to create their firework picture.

As part of our Mesozoic Era topic, we have been learning about the eating habits of dinosaurs, including how their teeth looked. We have been learning to identify what a carnivore, herbivore and omnivore is by looking at their...teeth! We compared dinosaur teeth to our own teeth and discovered that we have both carnivore and herbivore teeth because we are omnivores.

In maths, we have continued developing our subtraction knowledge and have used different equipment to help us find the answer. You can continue with this at home by playing board games, like snake and ladders or by telling stories for example: 10 children on a bus and 7 got off, how many are still on the bus?

Remember please book your child's lunch by Sunday, we hope that you have a great weekend.

From the Year One Team

Mrs Hambrier, Mrs Brown, Mrs Nandra and Mrs Tyler.
