

## Spring Grove Primary School

### Year One Homework and News

Friday 18<sup>th</sup> November 2022

Dear Parents and Carers,

We have continued our work on dinosaurs, looking at the various environments they were found and the climate at that time. We also thought about three periods of history relating to the dinosaur period: Triassic, Jurassic and Cretaceous, which the children have really enjoyed learning about. We have been able to locate where some of the dinosaurs lived in relation to where we come from around the world.

In ICT, the children have been learning about algorithms, writing their own and programming the bee bots- the children have also been enjoying this investigation on the iPad!

In DT, the children have begun to create their own moving dinosaurs. They have drawn and coloured the background to create a dinosaur environment and they will make their dinosaurs and attach them to sticks which will enable them to move their dinosaurs along the background.

In maths we are revisiting the relationship between parts and a whole, thinking about the different ways to make the whole number. For example: five is the whole and the parts can be 1 and 4, 3 and 2 and 0 and 5.

We have had a very busy week with Anti-Bullying Week and taking part in many different activities. The children enjoyed going into their houses and working with the children from Year 2 to Year 6. They really enjoyed the odd socks song and requested that it went on their google classroom with the lyrics, which is already there. The children enjoyed the author, Mrs P who inspired the children to write their own stories.

Have a great weekend and see you Monday.

From the Year One Team

Mrs Hambrier, Mrs Brown, Mrs Nandra and Mrs Tyler.
