### Nursery News

Friday 2<sup>nd</sup> December 2022

Dear Parents and Carers,

This week, we have enjoyed learning all about Brown Bear Brown Bear. This book has made us talk, draw and laugh a lot! We have sorted objects based on their colours and talked about what we can see. We went on a colour hunt and chanted (child's name, (child's name), what do you see? They then responded with the colour and the object that they could see- try this at home, it is a lot of fun! We are all authors in Nursery and we have made our first class book! Our teachers are so proud of it that they are going put it in the book corner for us all to enjoy. The highlight of the week was making animal cookies and then decorating them in different colours. During group time we watched the icing sugar turn into a runny liquid. Our teachers were so clever they could turn the white icing sugar to a different colour – talk to use about what we saw. We have been using the words in front and behind this week, we would like the children to use these at home whenever possible please. You might notice that you are walking behind your child as you are walking up the stairs. Play a game of follow the leader and take it in turns to be in front and then behind.

This week, we read these books in storytime...

The Nursery staff read a lot more books than this in a week, but these are the ones we enjoyed during our class storytime!

Thank you so much for all the photographs of the children celebrating the different festivals. Our class *Let's Celebrate Book* is lovely and the children really enjoy looking through it on a daily basis. Please remember to keep sending in photographs that could be added, I know we have had a few birthdays over the last few weeks so it would be great to add these photographs too!

We are having an increased amount of parents collecting their child whilst on the telephone. This can cause you to become distracted when your child is dismissed to you and you may not notice. As from next week, we will be unable to dismiss a child to a parent or carer whilst they are on their phone. This is a valuable time to greet your child with a smile and ask about their day. Thank you for your support with this.

Yours sincerely,

The Nursery Team
