

Spring Grove Primary School

Reception Spring Term News Update

Friday 13th January 2023

Dear Parents and Carers,

The children have enjoyed starting our new topic...**Space Explorers!** Please see the curriculum map which details some of the learning and activities we will be undertaking over the next term. The children's interests and questioning may lead us in a different direction within the topic, but we will of course continue to keep you updated on our learning with our weekly newsletters. If you have any other ideas or an area of interest or expertise that you would like to share that could enhance our topic then we would love to hear from you!

Our P.E session will now be on a Monday as we will be using apparatus in the hall. Please ensure that your child comes to school wearing their P.E kit and wears shoes that are suitable for climbing our gymnastics apparatus. Children that are not wearing appropriate clothing or footwear will be unable to take part in lessons due to health and safety reasons. We would also like to remind you that your child should not be wearing jewellery and should have their hair tied back. Thank you in advance for your support with this.

We have been continuing to encourage and remind the children to change their own free reading book on a daily basis. Please let us know if your child is not changing their book regularly and we can support them with this. Guided reading will continue to be done weekly on a Friday and we request that your child brings their bookbag, reading record and guided reading book (if they have one) to school on this day. Ditty and blending sheets do not have to be returned to school and can be used to practise at home.

We always enjoy hearing about what your child is doing at home as it provides a valuable insight into their home learning and experiences as well as providing us with a great opportunity to initiate a discussion with your child. It can also help to steer our class learning in the direction of your child's interests. If you have anything you wish to share with us, please feel free to me at lloyd@springgrove.hounslow.sch.uk and I can include them in your child's learning journey.

Finally, if you have any questions or queries about anything going on in school that you would like to discuss, please feel free send an email or catch us after school.

Thank you for your continued support.

Regards,

Mrs Lloyd, Mrs Kotecha and Miss Manlow ☺

The Spring Grove Way: personal and academic excellence, everyone, every day.
