

Spring Grove Primary School

Year One Homework and News

Friday 2nd December 2022

Dear Parents and Carers,

What a busy week we have had! This week, we have been learning about volcanoes and how they look different. The children's clay volcanoes definitely show this and they had lots of fun making and painting them. The very best bit was making a volcanic eruption themselves with the ingredients- their faces lit up when the lava started to flow up and over.

In maths, we have been exploring 2D and 3D shapes. We have been naming, sorting and identifying their properties. The children have made 3D shape models and have named all the different 3D shapes they have used. They have also been drawing pictures using 2D shapes, which the children have been very creative with. **You can support their learning at home by looking and naming 3D and 2D shapes found around the home.**

There will be a little Christmas Sing song on Wednesday 14th December at 3:15 pm on the school playground, we hope you will be able to attend. Please check goggle classroom and Oxford owl, the school code is **zm8** for this week's homework. Have a great weekend and see you Monday.

From The Year One Team

Mrs Hambrier, Mrs Brown, Mrs Nandra and Mrs Tyler
