

## Spring Grove Primary School

### Year One Homework and News

Friday 3<sup>rd</sup> February 2023

Dear Parents and Carers,

This week the children have started to talk about their castles and the other children have asked some very interesting and related questions. The children have been very curious about English as a subject and we have explained that English takes on various forms, not only writing but also speaking and listening, questioning and asking questions.

We have also been busy designing our own coat of arms, based on ourselves using a set criteria. We have looked at different coats of arms, including some that we will see around Windsor Castle on our upcoming school trip.

Remember that our Windsor Castle Trip is on Thursday 9<sup>th</sup> February, thank you for all the parents that have kindly volunteered to help, the children will need:

- To wear their school uniform, we recommend that the children wear their PE bottoms as there is lots of walking
- Comfortable shoes because there will be lots of walking
- A coat as most of the castle is outside
- A packed lunch in a named back pack

In maths, the children have been learning to order ordinal or random numbers either starting from the smallest number to the greatest, or from the greatest number to the smallest. For example:

- 13, 14, 15
- 3, 12, 20

The children have also been finding numbers that lay between two given numbers, for example, the numbers that lay between 13 and 18 number are 14, 15, 16, 17. At home, you can support your child by giving your child two numbers and they have to say the numbers that lay in between, you could give your child three numbers and they have to order them.

We look forward to seeing more of the children's home made castles next week and the presentations they will give! Have a great weekend and if you have any questions then please talk to us at pick up or email: [hambrier@springgrove.hounslow.sch.uk](mailto:hambrier@springgrove.hounslow.sch.uk)

Best wishes,

The Year One Team
