

Spring Grove Primary School

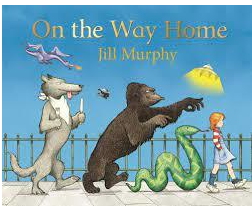

Year Two Homework and News

Friday 3rd February 2023

Dear Parents and Carers,

Happy Friday! We now have only one week left until finish the first half of the Spring Term. Well done to all of you!

In Maths, we have started the Multiplication and Division topic and we have been busy creating equal and unequal groups. This will support us next week when we will begin to add equal groups and introduce the multiplication symbol.

In English, we have started a new book called On the Way Home by Jill Murphy. The children began by making excellent predictions and asking some very inquisitive questions using the illustrations from the story. We predicted that this story was a tale because the wolf is similar to the wolf from other traditional tales, such as: The Three Little Pigs and Little Red Riding Hood, because he looks like he wants to gobble her up! We have been focussing on dialogue and have learnt about speech marks.

In Science, we have been learning about animals and their young. We have looked at what all living things have in common and have learnt that in order for something to be living, it must Move, Respire (breathe), Sensitive, Grow, Reproduce, Excrete and Nutritious. We have also identified that not all offspring look like their parents.

In Art, we have been making model sculptures using playdough and we made different sea creatures. We were truly pleased with how hard the children worked to use sculpting tools. Next week, we will make the final sculptures and paint them.

Reminder:

Next week, we will have our cake sale. Please remember to donate some treats for the cake sale. All money raised will go towards the cost of our Woburn Safari trip in Summer One.

To support your child's learning this week please complete the equal and unequal groups maths sheet and learn the spellings that have been set this week. If you have any questions then please talk to us at pick up or email: chaouki@springgrove.hounslow.sch.uk

Regards,

The Year Two team 😊

The Spring Grove Way: personal and academic excellence, everyone, every day.
