

Spring Grove Primary School

Year Two Homework and News

Friday 24th February 2023

Dear Parents and Carers,

Happy Friday! It has been a great start to the second half of the Spring Term as the children have returned refreshed and ready to learn.

In Maths, we have continued to learn about multiplication and division. This week, we have been learning about division, and have learnt that division is the inverse of multiplication. The children now know that they are able to use their multiplication knowledge to help them tackle division problems.

In English, we have been learning about Sir David Attenborough and will be using everything we learnt about him to write a biography next week. This week, we have been learning about the following vocabulary using a dictionary and will incorporate this new vocabulary in our future biographies: knighted, climate change, honoured, environment, documentaries, naturalist, habitats, plastic pollution and broadcaster.

In History, we have been learning about Mary Seacole and we have made our own predictions thinking about who she is and why we think she should be remembered. We also began to think about the similarities and differences between Florence Nightingale and Mary Seacole.

Cake sale:

Thank you for all of your donations to sell at our cake sale- we would like to inform you that we raised £132 pounds! The money raised will be put towards our Woburn Safari trip in the Summer Term (Wednesday 19th April). We will be having another cake sale, so that we can raise more money for the trip, on **Wednesday 8th March 2023**.

PE days:

PE will now be on Mondays and Thursdays, and no longer on a Friday. Please ensure your child is dressed for PE on those days only.

Homework:

English – Please support your child to research about Sir David Attenborough and to make some notes about what they find out.

Maths – Complete the attached maths sheet to help consolidate the learning that has taken place this week.

If you have any questions then please talk to us at pick up or email:
