

Spring Grove Primary School

Nursery Homework and News

Friday 24th March 2023

Dear Parents and Carers,

This week, we have continued with our Traditional Tales topic learning about the story of Three Billy Goats Gruff. The children enjoyed another play put on by the staff which told the story of the Three Little Billy Goats Gruff. We have enjoyed using the costumes and small world toys to retell our own versions of the story. We have been encouraging the children to use different voices for each character. We have learnt the word character this week and have made our own characters from the story using clay and combining materials. We have thought about feelings and how the troll might have been feeling – was he or the third, biggest billy goat gruff the naughtiest?

This week, we talked a lot about brothers, sisters, cousins or family friends and discussed whether they were older or younger. The children found this quite difficult; when you are talking at home, it would really benefit the children for you to reinforce these words.

There are some other activities on Google Classroom that you could complete to support your child further with their learning. Some of these activities are around floating and sinking and having fun in the bath. There are also some songs and fun, family reading activities and discussions.

It was lovely to see so many of you at the parents evenings this week. I hope you found this a valuable experience. Please remember if you have any questions or worries, please do come and see a member of the team and we can work through them together.

A reminder that school closes at 1:30pm on Thursday 30th March for the Easter break. There will be no Nursery letter next week as there will be a contribution to the whole school newsletter. We hope you have a fantastic Easter break and we look forward to hearing all about it when the children return.

Yours sincerely

The Nursery Team

The Spring Grove Way: personal and academic excellence, everyone, every day.
