### Year One Homework and News

Friday 24<sup>th</sup> February 2023

Dear Parents and Carers,

This week in English and History, we have been learning about the British Monarchy. We have been exploring: who is Head of State now; who was Head of State before King Charles II and which other Queen we saw at Windsor Castle. As a whole class, we completed some shared writing, and then each child was able to pick some sentences they wanted to write in their own pieces of work. The children had many ideas and enjoyed watching some video clips of both Queen Victoria and Queen Elizabeth II.

In Maths, we have been developing our understanding of subtracting and have been finding the difference between pairs of numbers up to twenty. We used different strategies, for example: counting back; jumping back and crossing out. You can continue to support your child at home by looking at different ways to subtract items, like food.

This week, we have continued with our Victorian topic and as part of the topic the children made cucumber sandwiches, which in the Victorian time cucumber sandwiches were very popular within high society and not for the everyday people!
