

## Spring Grove Primary School

### Year Two Homework and News

Friday 17<sup>th</sup> March 2023

Dear Parents and Carers,

There are only 2 weeks left until the end of the Spring Term and this week we have been very busy and the children have worked really hard!

In maths, we have continued learning about length and height. We have used the four operations (addition, subtraction, multiplication and division) to solve word problems. Towards the end of the week, we began to learn about mass and capacity. We looked at scales and discussed what different scales can be used for. We discussed that mass tells us how heavy or light something is.

In English, we have continued with our story **Leaf** and have written our non-chronological reports. We were amazed with how hard the children worked to use key vocabulary in their writing. and what they remembered. The children were excellent at remembering sub-headings and to write in paragraphs. Next week, we will be writing an information sheet about how polar bears have adapted to live in their environment. We have also been learning about words that have irregular spelling patterns. We looked at words such as floor, poor, door, find, kind and mind. We will have a spelling test next week. To support your child please support them to learn their spellings.

In computing, we have been learning about email safety. The children have been exploring how to send an email using the school safe email inbox.

In Art, we have been learning about Esther Mahlangu, who is a South African artist. She paints vibrant, geometric works of art based on Ndebele designs. We will soon be using objects to create our own prints in a similar style.

#### **Parents' evening:**

Parents evening will be next week on Tuesday 21<sup>st</sup> March and Thursday 23<sup>rd</sup> March, if you've not done so already, please book an appointment.

#### **Homework:**

- Don't forget to practice learning this week's spellings.
- Complete the addition and subtraction sheet, you could also weigh yourself and let us know your weight!
- Next week in Science we will be planting cress seeds, please could you bring in some seeds by Wednesday that we can use for our investigation.

If you have any questions then please talk to us at pick up or email: [chaouki@springgrove.hounslow.sch.uk](mailto:chaouki@springgrove.hounslow.sch.uk)

Regards,  
The Year Two team ☺
