

### **Appreciation Award Winners**

Pupils in Year 1 have sat and completed their Phonics Screening Check this week, and pupils in Year 4 have sat their Multiplication Check. They have all worked hard and done their best. Results will be shared with parents via the end-of-year school reports that will come out in the last couple of weeks of this term.

### **TRIPS & VISITS**

We have a number of trips taking place this term. In order for these to go ahead they do rely on financial contributions being made, and parental consent being provided. We have to pay the organisations prior to the trips taking place so payment being made on time is important. Please, always let us know in confidence if assistance is required and we will do what we can to support you.

OUR NEXT EVENT

## JULY 13, 2023

## Governor Vacancy

We are on the lookout for some new school governors. Currently, we have vacancies for co-opted governors. A co-opted governor is an individual from the community who has the skills and experience that the governing board requires. It is a voluntary role and the term of office will last for four years. Our Governing Board meets once a term for a virtual meeting of about two hours. In addition, each governor is a member of either the Quality of Education Committee or the Finance Committee and each of these meets once a term for about an hour.

Ideally, our Governor Board would benefit from a governor who has some experience in any of the following areas:

- ◆ Purchasing and procurement
- ◆ Experience in writing bids to secure grants
- ◆ Volunteering with young people
- ◆ Knowledge and experience of working with the local community

If you know of anyone who may be interested in volunteering in this capacity, please contact me via my email address of [head@springgrove.hounslow.sch.uk](mailto:head@springgrove.hounslow.sch.uk) and I can get the ball rolling!

### Using Star Road in the morning and afternoon

A reminder to all families using the Star Road entrance to school in the mornings and afternoons. Please use the pavement to walk on rather than the road. Whilst Star Road is a school street, it is used by neighbours who need to drive to work and staff entering the school. There are often occasions when vehicles struggle to use the road as there are so many families standing in the middle of it. This is a safety hazard and the pavements should be used instead.

### No Nuts please....

We are a nut free school and no food products containing nuts are permitted in school. This is because we have a number of children across the school with nut allergies and for some children being in close proximity to nut products could potentially result in hospitalisation.
