

Spring Grove Primary School

Year Two Homework and News

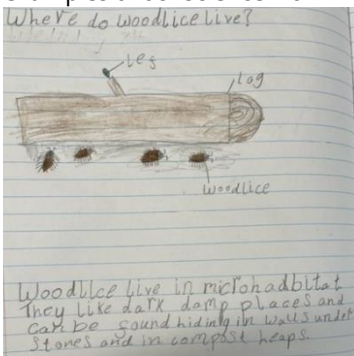

Friday 16th June 2023

Dear Parents and Carers,

We have had another brilliant week, the children have been working extremely hard. In English, we have written the instructions on how to look after Scrubbing Brush, from the story Traction Man. We have used imperatives and descriptive vocabulary. Below are some examples of our writing.

In Science, we have been learning about woodlice and their habitats, and we went out into the playground to find some woodlice. We learned that woodlice live in places that are damp and dark, and that they are nocturnal. Below are some examples of our science work.

In computing, we have been learning about taking and editing photos using iPads. The children have learnt about the different features on the app.

In Art, we have learned and completed our still life portraits. The children learnt that when drawing still life the object must not be moved during drawing and that we draw everything that we can see.

Pirate day:

Next week, on Thursday 22nd June we will have our pirate day. The children need to come in wearing their pirate themed clothes and bring in the resources that they have collected. The children don't need to bring in their PE kits as we will be off timetable and carrying out pirate themed activities throughout the day.

Homework:

Continue with daily reading

Have a lovely weekend, if you have any questions then please talk to us at pick up or email:
