

## Spring Grove Primary School

### Year Two Homework and News

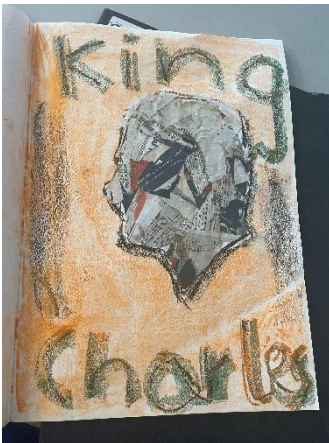

Friday 19<sup>th</sup> May 2023

Dear Parents and Carers,

This week in English, we have started our Traction Man story. We have written the beginning of the story and have been using expanded noun phrases, conjunctions, questions and exciting punctuation marks. Again, I have been amazed at how well the children have written. Whilst writing, we have encouraged the children to use what they have read in their books, for example: using bold letters if something exciting is happening or ellipsis if something unexpected will happen.

In Maths, we have started our time unit and have begun with telling the time to o'clock and half past. We will continue to learn to tell the time focusing on reading the time when it is quarter past or quarter to and at different five minute intervals. To support with your child's learning please ensure that you continue to look at an analogue clock to read different times.

In Art, we have finished our coronation pictures. The children enjoyed using oil pastels to fill the background before sticking their collage silhouette.

### Homework:

- Please complete the handwriting sheets that have been shared, each child should have received a printed copy.
- Log onto Timetables Rockstars daily for 10-15 minutes.
- Draw and label a clock, remember to add the five minute intervals.

Have a lovely weekend, if you have any questions then please talk to us at pick up or email: [chaouki@springgrove.hounslow.sch.uk](mailto:chaouki@springgrove.hounslow.sch.uk)

Regards,

The Year Two team ☺
