Spring Grove Sports Days

The children had a lot of fun taking part in this year's school sport days.

We had some very entertaining races in the Infants Sports Day!

In the Juniors Sports day, there were many and seriously close races! Osterley were last year's first House winners but out on top this year was **Syon House**, so congratulations to them!

Wimbledon 2023

Eight lucky pupils, alongside Miss Griffiths and Mrs. Sisodia, had an incredible opportunity to attend an exhilarating day of Wimbledon quarter finals tennis matches on Court One. We were thrilled that our school was fortunate to secure half priced tickets to this prestigious event.

We even ended up being on BBC, did you catch us?

We had a really great time at Wimbledon, watching matches and eating snacks, but unfortunately, we didn't get to eat strawberries and cream because the queue was too long!

It was such a fantastic experience and it was really exciting!

– Arnav

NURSERY—INKPEN

This term, Nursery have enjoyed a number of Sue Hendra books, we have read; Supertato, Norman the Slug with the Silly Shell, No-bot the Robot, Barry the fish with fingers... the list goes on. When you next visit the library look for a Sue Hendra book and enjoy it together.

Visiting Farm

We loved meeting the animals from the visiting farm.

Nursery Graduation

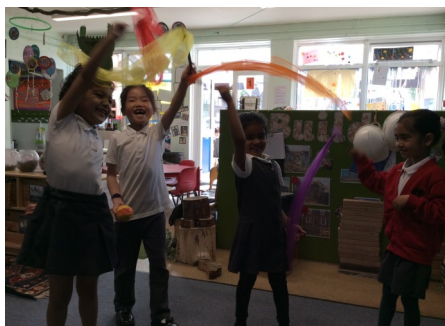

Nursery also celebrated their graduation from Nursery. We thought about who we are as a person. Some of us are funny, others are creative, kind or playful. We also thought about how these skills will help us in what we want to be when we are older. We shared these dreams and ambitions with our families during the graduation. We were so proud of how the children performed during the assembly to their grown ups.

What a year full of fun, laughter and progress! Good luck to all our Nursery children in the next chapter of their lives, whether that be with us here at Spring Grove or another lucky school. You will all be missed.

RECEPTION—MCKEE

In Reception, we have been looking at how much we have grown throughout the year! Each term, we use our class height chart to document how tall everyone is, compare heights and looking at how much we have grown. This week, we took our last measurements and we were so surprised at the changes!

Talking about how much we have grown and changed over the year got the children chatting about their memories from Reception Class! We have had some wonderful experiences and the children shared lots of happy memories from building paddling pools during the warm weather, visiting the mobile farm to their nativity performance.

We are so proud of the class and all of the progress they have made this year. We will miss them very much, but wish them all the best on their new adventure to Year One!

YEAR 1—DONALDSON

One of the many highlights this year was from our recent morning Sports Day. The children had so much fun taking part and their favourite activity was the banana relay! The fun race was made up of our PE tasks we have done throughout the year.

All the Year One Team agree that we have an amazing group of children! One example the staff wanted to share was from our wonderful assembly on Thursday. All the planning was completed by the children, including what was said... we are so proud of them!

These two lovely children were chosen to go through to the final poetry competition and they did a fantastic job. It was a very hard decision to make as we had some great entries. So well done to all of you who performed your poem to us all in year one...great job!

Another hard decision that we had to make this year was for the Spring Grove talent show. Well done to our talented children, you were all fabulous.

Towards the end of the year, seaside day finally happened and what a lovely day everyone had, even with the traditional British weather!

It has been an exciting year, watching all the children grow and change and we wish them all the best in Year Two!

The Spring Grove Way; personal and academic excellence; everyone, every day.

YEAR 2—GREY

What a year we have had! It has been busy, exciting and emotional! We are extremely proud of all of the children and the progress they have made.

The final half term has been fun and we can't believe we are at the end of Year Two. In the summer term, we completed the Key Stage One assessments, had our pirate day, dressed up for the King's coronation and competed during sports day. Here are some of the children's thoughts:

"My favourite time in Year Two was the pirate day".

"I enjoyed the Safari Trip as we got to see lots of dangerous animals".

"When Abe and Alba escaped, we had to look for them!"

"I laughed so much when we did our fun race for sports day".

We have had a year full of joy, progress and fun! We will miss all of them, and we wish them all the best in Year Three! The Year Three teacher is lucky to have such lovely, caring and sweet children!

YEAR 3—ZEPHANIAH

Year Three have had a fun-filled and eventful year! It has simply flown by and the children have thoroughly enjoyed their time in their first Key Stage Two class. The children are now more than ready for new challenges and adventures in Year Four!

This year, we visited the gurdwara, Hounslow Library, The British Museum and Butser Ancient Farm to do some extra learning outside the classroom - what incredibly interesting, fun and educational days! The children enjoyed asking insightful questions, hence improving their knowledge and understanding of key topics being taught in class.

Year Three have read some great texts in storytime and English. The most recent text, *The Iron Man*, enabled the children to explore characters, settings and figurative language e.g. onomatopoeia, similes and personification. They thoroughly enjoyed the book and did not want it to finish!

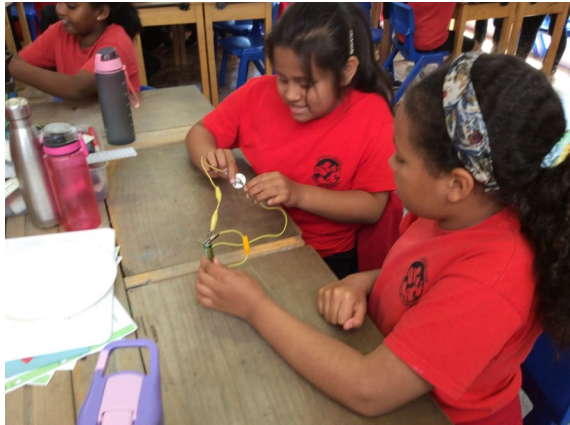

The children have also enjoyed Sports Day, our school Poetry Competition and Talent Show competition. In fact, Siyah won the Talent Show Competition and Laura, Milly and Ethan won third place in the Poetry Competition. What amazing achievements for the children and a true reflection of how creative and talented the class is!

Year Three have worked hard in maths and thoroughly enjoyed all topics. Most recently, they have learned the properties of 2D and 3D shapes.

Finally, the Year Three team would like to say well done to the whole class for such a fabulous year. We will miss you in September and know that you will have an amazing time in Year Four with your next teacher.

Have a fantastic, well-deserved summer holiday.

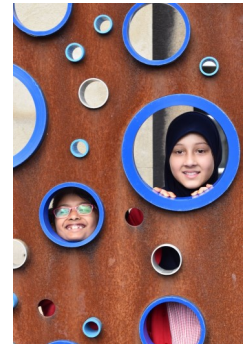

YEAR 4—RAUF

Well, I can't believe that we have come to the end of another academic year and it has been an action packed one!

This half term, in Science, we have been learning how to light up a light bulb, what causes circuit breaks and what materials conduct electricity. We also had fun practising for the Summer Poetry Performance Competition.

On Wednesday 5th July, we went on a really interesting and fun trip to the Brentford Steam and Water Museum where we learnt about how steam engines work and what they were used for.

It has been a pleasure to see the children mature and blossom over this year and I wish them all the best in Year Five.

The Spring Grove Way; personal and academic excellence; everyone, every day.

YEAR 5—MORPURGO

What a year it has been! It seems like a very long time ago that we were waving goodbye on the coach to Sayer's Croft! It just shows how much they have grown over the year.

This term, we have been on all sorts of adventures! At the beginning of the term, we went to Kew Bridge to conduct our river fieldwork. We found that there were lots of living creatures on the river and we learnt how to identify them. We also used litmus paper to test how acidic the river was. As it wasn't acidic and there were living creatures, we decided that the river was not very polluted.

We had an amazing trip to Turner's House and we loved creating abstract watercolour paintings and sketches of items around the house. On the Art Days which followed, we learnt how to draw portraits; print using inks and create collage. When we put it all together for the exhibition, we felt very proud of our amazing art.

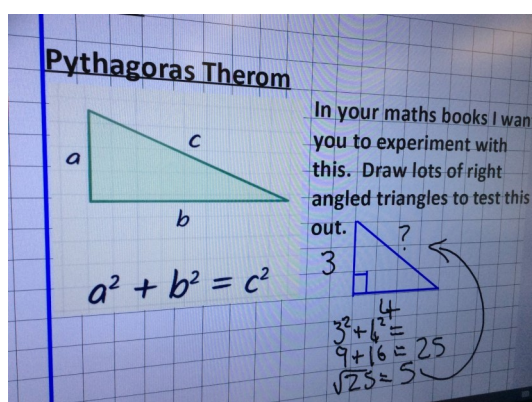

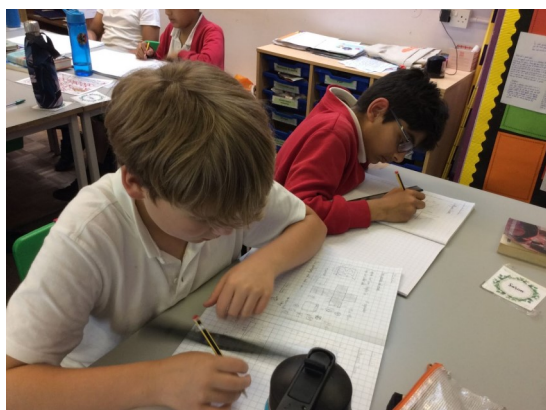

In DT, we created our own loaves of bread. We designed the shape of the bread and chose the flavours we wanted in the bread. The classroom smelt like garlic and chocolate for a few days after we baked!

YEAR 6—LEWIS

Year Six Lewis have really enjoyed their final half term at Spring Grove Primary School. We had our Year Six Citizen's Day at Grasshoppers in Brentford. Here we learned about fire safety, knife crime, healthy living, cyber crime and stop and search. A lot of our time has been spent preparing for our Leavers Assembly. We focused on the theme of 'Memories' from our time at SPGS.

Year Six Lewis have so many talented actors. We were all so proud of their outstanding performance. We also had our final maths lesson where we learnt about Pythagoras Theorem. We really excelled with our maths skills and are now ready for Year Seven.

YEAR 6—EARLE

Year Six Earle have thoroughly enjoyed the last half term at Spring Grove. They have enthusiastically got involved with Key Stage Two Sports Day and felt proud to represent their houses. Year Six Earle have shown great leadership and team skills this last half term. They worked together well and supported each other with the class leavers assembly. As well as this, they have enjoyed learning about evolution in science and getting themselves prepared for secondary school. It will be sad to see them leave, but an exciting new opportunity for them.

**Have a lovely Summer Break and see
you back in school on Wednesday 6th
September.**
