Sports Day 2023

It is always lovely to hear about the interests that many of our children have outside of school. There have been some recent successes that we would like to share with you. Well done to all of the pupils on these accolades.

Congratulations to Naivedya in Year 6 who won the People's Vote category in the national Minecraft Education competition of Design Future London. We are so proud of him and look forward to hearing about his future successes in this field. Well done, Naviedya.

Five pupils from Year 2 participated in the 6th Annual TGMS (Teuk Gong Moo Sool) Martial Arts Championship on 2nd July 2023. The event was organised by the Korean Martial Arts Masters Association. Zain, Avi, Ayansh, Rovee, and Sara demonstrated their skills in the presence of the Chairman and won 1st, 2nd, and 4th positions in their respective matches across two rounds.

Rovee in Year 2 participated in the Annual Heathrow Gymnastic Championship on 29th June. Out of 50+ participants, Rovee performed really well and came in overall 6th position in the Intermediary level.

Well done to all of the children on their fantastic achievements.

Good Bye and Good Luck

Year 6 Leavers Lunch

We are saying goodbye to our year 6 pupils as they venture on to the next stage of their school career. Many of them joined Spring Grove in Nursery and Reception and have spent much of their lives so far as Spring Grover's. They will always be a part of the school's heritage and will never be forgotten. From everyone at the school, we wish year 6 the greatest success and happiness as they leave us. They are all special and cherished individuals and are a credit to themselves and their families. We are proud of all that they have achieved and of the contributions that they have made to life at Spring Grove. Good luck year 6. We will miss you.

We also say goodbye to **Mrs Sunda and Mrs Bochnowska (Miss Kasia)** as they leave the school. They have both been fabulous role models and educators to the children and wonderful colleagues. You will be missed enormously. Thank you!

FOSGS News

Thank you to all our wonderful community for making all our FOSGS events this year a great success!

You've helped us raise much needed funds, which we will start investing with the school's support from next school year!

Have a fun summer and see you all again in September!

4th July 2023

Dear Parents,

We all want to keep our children safe and protected from serious illness. This is why we are asking you to support a focus on encouraging parents in North West London to ensure that their child is up to date on their routine immunisation course. The summer holidays are a good opportunity to catch up on any outstanding vaccinations before children return to school and start mixing again.

Vaccination rates have been falling in London, which was further exacerbated during the pandemic. We need to maintain a high level of vaccine uptake across the population to reduce the risk of outbreaks and the potentially serious impacts on children's health.

Since February we have seen an increase in the number of cases of measles across North West London which may develop into life-threatening illnesses such as meningitis and pneumonia.

Booking a vaccine over the summer

Any children in London who are not up to date with their routine vaccinations can book one over the summer holidays.

Where do I get my child's vaccine?

Your child can get their routine vaccinations at their GP surgery.

The NHS has also been contacting the parents of children who are not fully vaccinated to book an appointment at their GP practice or to access them at specialist community clinics in your local area. These will continue over the summer.

Thank you for your support.

Yours faithfully,
