**House Shield Design Winners**

We hope that our families who celebrated Diwali over the half term holiday enjoyed their celebrations and time with family. Our very best wishes for a peaceful and prosperous new year.

## **Bolt the Budgie**

Those of you who follow the school via the Facebook page will be aware that we have had a visitor this week: a beautiful budgie who found his way onto the school field after losing his way home!

We are delighted to inform you that Bolt, the budgie, was reunited with his owners this morning! They saw the post on social media and called the school office early this morning. We thoroughly enjoyed having him at school but are happy he is back home with his family.

Thank you to those who shared the post with other groups, as this led to his reunion.

## Kindness Challenge

**NSPCC**

Spring Grove Primary School

**£525.00**

Before the half term break, the children enjoyed participating in the Kindness Challenge. There were many examples of acts of kindness observed throughout the week; there are some very thoughtful and kind children at Spring Grove Primary. All pupils took part in the Kindness Walk and it was lovely to see new friendships form as classes paired up to walk around the Daily Mile track. Year 6 walked with Nursery and they were very impressed by the stamina and energy levels of our youngest pupils! Thank you for the sponsorship. We are proud to announce that £564.00 was raised for Childline, a valuable service offered by the NSPCC.

### Welldone....

Congratulations to Shanwik in Year 2 who has recently become the youngest child at his piano academy to achieve success in his piano exam. Well done Shanwik – we look forward to hearing you play!

### Thank you ....

Spring Grove families have been very generous this half term and we have collected a good amount of food items to donate to the foodbank in Hounslow West. The donations will make a real difference to the wellbeing of some local families. THANK YOU.

All children in Nursery  
must apply.

### No Nuts please....

We are a nut free school and no food products containing nuts are permitted in school. This is because we have a

number of children across the school with nut allergies and for some children being in close proximity to nut products could potentially result in hospitalisation.
