

# HAPPY NEW YEAR

**As we embark on a new year, we extend our warmest wishes to our school families for a successful 2025! We are very grateful for the thoughtful cards and generous gifts that were given to staff at the end of the last term. Your support means a lot to us.**

## **You are invited !**

**School Dinner Tasting Session on Thursday, January 30th  
from 2.30 to 3.20 pm.**

We want to invite parents to a School Dinner Tasting Session on Thursday, January 30th, from 2.30 to 3.20 pm. This will provide an opportunity to sample the food offered to your children and to understand how the menus are put together.

**Please let us know via ParentPay whether you can attend this event.** This is important as it will help the kitchen know how much food they need to prepare for the session. We hope to see as many parents at this as possible.

## School Census Day—16th January

### Please book School Meals

This week is School Census Day, which triggers school funding. On **Thursday, January 16th**, we would like to request that as many children as possible are booked to have a school dinner. Your role in this is crucial. The greater the number of children taking lunch, the more money we are given to spend on school resources. Uptake for school dinners is one way that funding is calculated for schools. Please help us get as much funding for the school as possible. Your active participation can make a significant difference.
