Spotlight on SEND

Spotlight on.....

The Early Bird Plus Programme run by the Hounslow Educational Psychology Service

Are you a family living in Hounslow?

Do you have a child aged 5-10 who has been diagnosed Autistic or on the assessment pathway?

If yes, you are invited to take part in the online, six session programme designed to support families better understand their child's needs.

Sessions cover

- Understanding autism – including key areas of difference, individual profiles, processing differences and one-page profiles
- Communication – including autistic communication styles, supporting communication and using visuals
- Understanding autistic experiences – including sensory processing and talking to your child about their autistic identity
- Supporting daily living – including the low arousal approach, sleep, eating, toileting/hygiene and dressing
- Health and wellbeing – including self-esteem, stress and anxiety and understanding feelings

**Welcome to our school newsletter
dedicated to SEND news,
information and events.**

List of upcoming SEND events and Things to Do

SEND surgeries: Let's talk SEND

Hounslow hold monthly SEND drop-in sessions where you can speak to a professional face-to-face for advice, guidance and support.
