Spotlight on.....

Have Your Say

At Spring Grove we are always looking at ways to improve support for our SEND pupils and their families. We would love to hear about what you think we do well and what you think we could do to improve.

As we plan activities and support for our pupils and their families, we want to know what you would like to see us provide in 2026. If you have a moment we would love to hear from you!

Please click [here](#) to fill out a survey on our website, it will take less than 2 minutes and really help us understand what more we can do to help.

Thank you :)
