

# SPRING GROVE

## PRIMARY SCHOOL

### Newsletter 6

Thursday, 18th December 2025

As we approach the end of term, I wanted to take a moment to reflect on all that we have achieved together and to extend warmest wishes to all of our school community for the festive season.

This term has been filled with remarkable moments – from our children's enthusiasm in their learning to the countless ways our community has come together to support one another. Whether it's been through classroom achievements, special events, or the everyday kindness shown throughout our school, there has been so much to celebrate.

A heartfelt thank you to:

**Our incredible pupils** – your hard work, curiosity, and kindness continue to inspire us every day

**Our dedicated staff** – for their unwavering commitment to providing the very best for our children

**Our families** – for your ongoing support and partnership in your children's education

**Our governors and wider community** – for your continued involvement in school life

**Friends of Spring Grove School (FOSGS)** for arranging and facilitating exciting events for the children to enjoy and for fundraising so successfully that they have purchased fifteen iPads for the children to use!

As we break for the holidays, please take time to rest, enjoy precious moments with your loved ones, and recharge for the year ahead. We look forward to welcoming everyone back in the new year, ready for another term of learning and growth together. I hope that the holiday period brings you joy, peace, and time with those you care about most.

**With warmest wishes for a wonderful Christmas and  
a happy, healthy New Year !**

### THANK YOU to FOSGS!

A huge thank you to the **FOSGS** committee for their generous donation of **15 iPads** for our children.

We are also incredibly grateful to all the parents and carers who support and attend the fundraising events organised by FOSGS.

Your continued involvement makes a real and lasting difference to the children at Spring Grove.

17TH NOVEMBER 2025**

### **Sustainable Creativity by Mrs Tyler**

Mrs Tyler's beautifully crafted Christmas decorations were a huge hit this year. Even better, each piece was thoughtfully made using damaged books, turning unwanted materials into something truly special and sustainable.

### **Hounslow Highways ArtSweep Competition**

Children from Spring Grove were invited to unleash their creativity by designing artwork for Hounslow Highways' newly acquired sweepers.

We're delighted to announce that the winners have now been chosen, and we couldn't be prouder of their fantastic designs. Keep an eye out—you may spot these winning entries (with some minor changes) brightening up the sweepers very soon!
